

Sales by Country

Sales by Country shows each Country's combined overall Sales. This includes a Slicer to look at 2018 and 2019 sales by Country. Each country includes a data callout highlighting the rounded Total Sales in millions of USD. Hovering over the country shows a tooltip for the total units sold in that Country.

Gross Sales and Profit by Segment

Gross Sales Profit

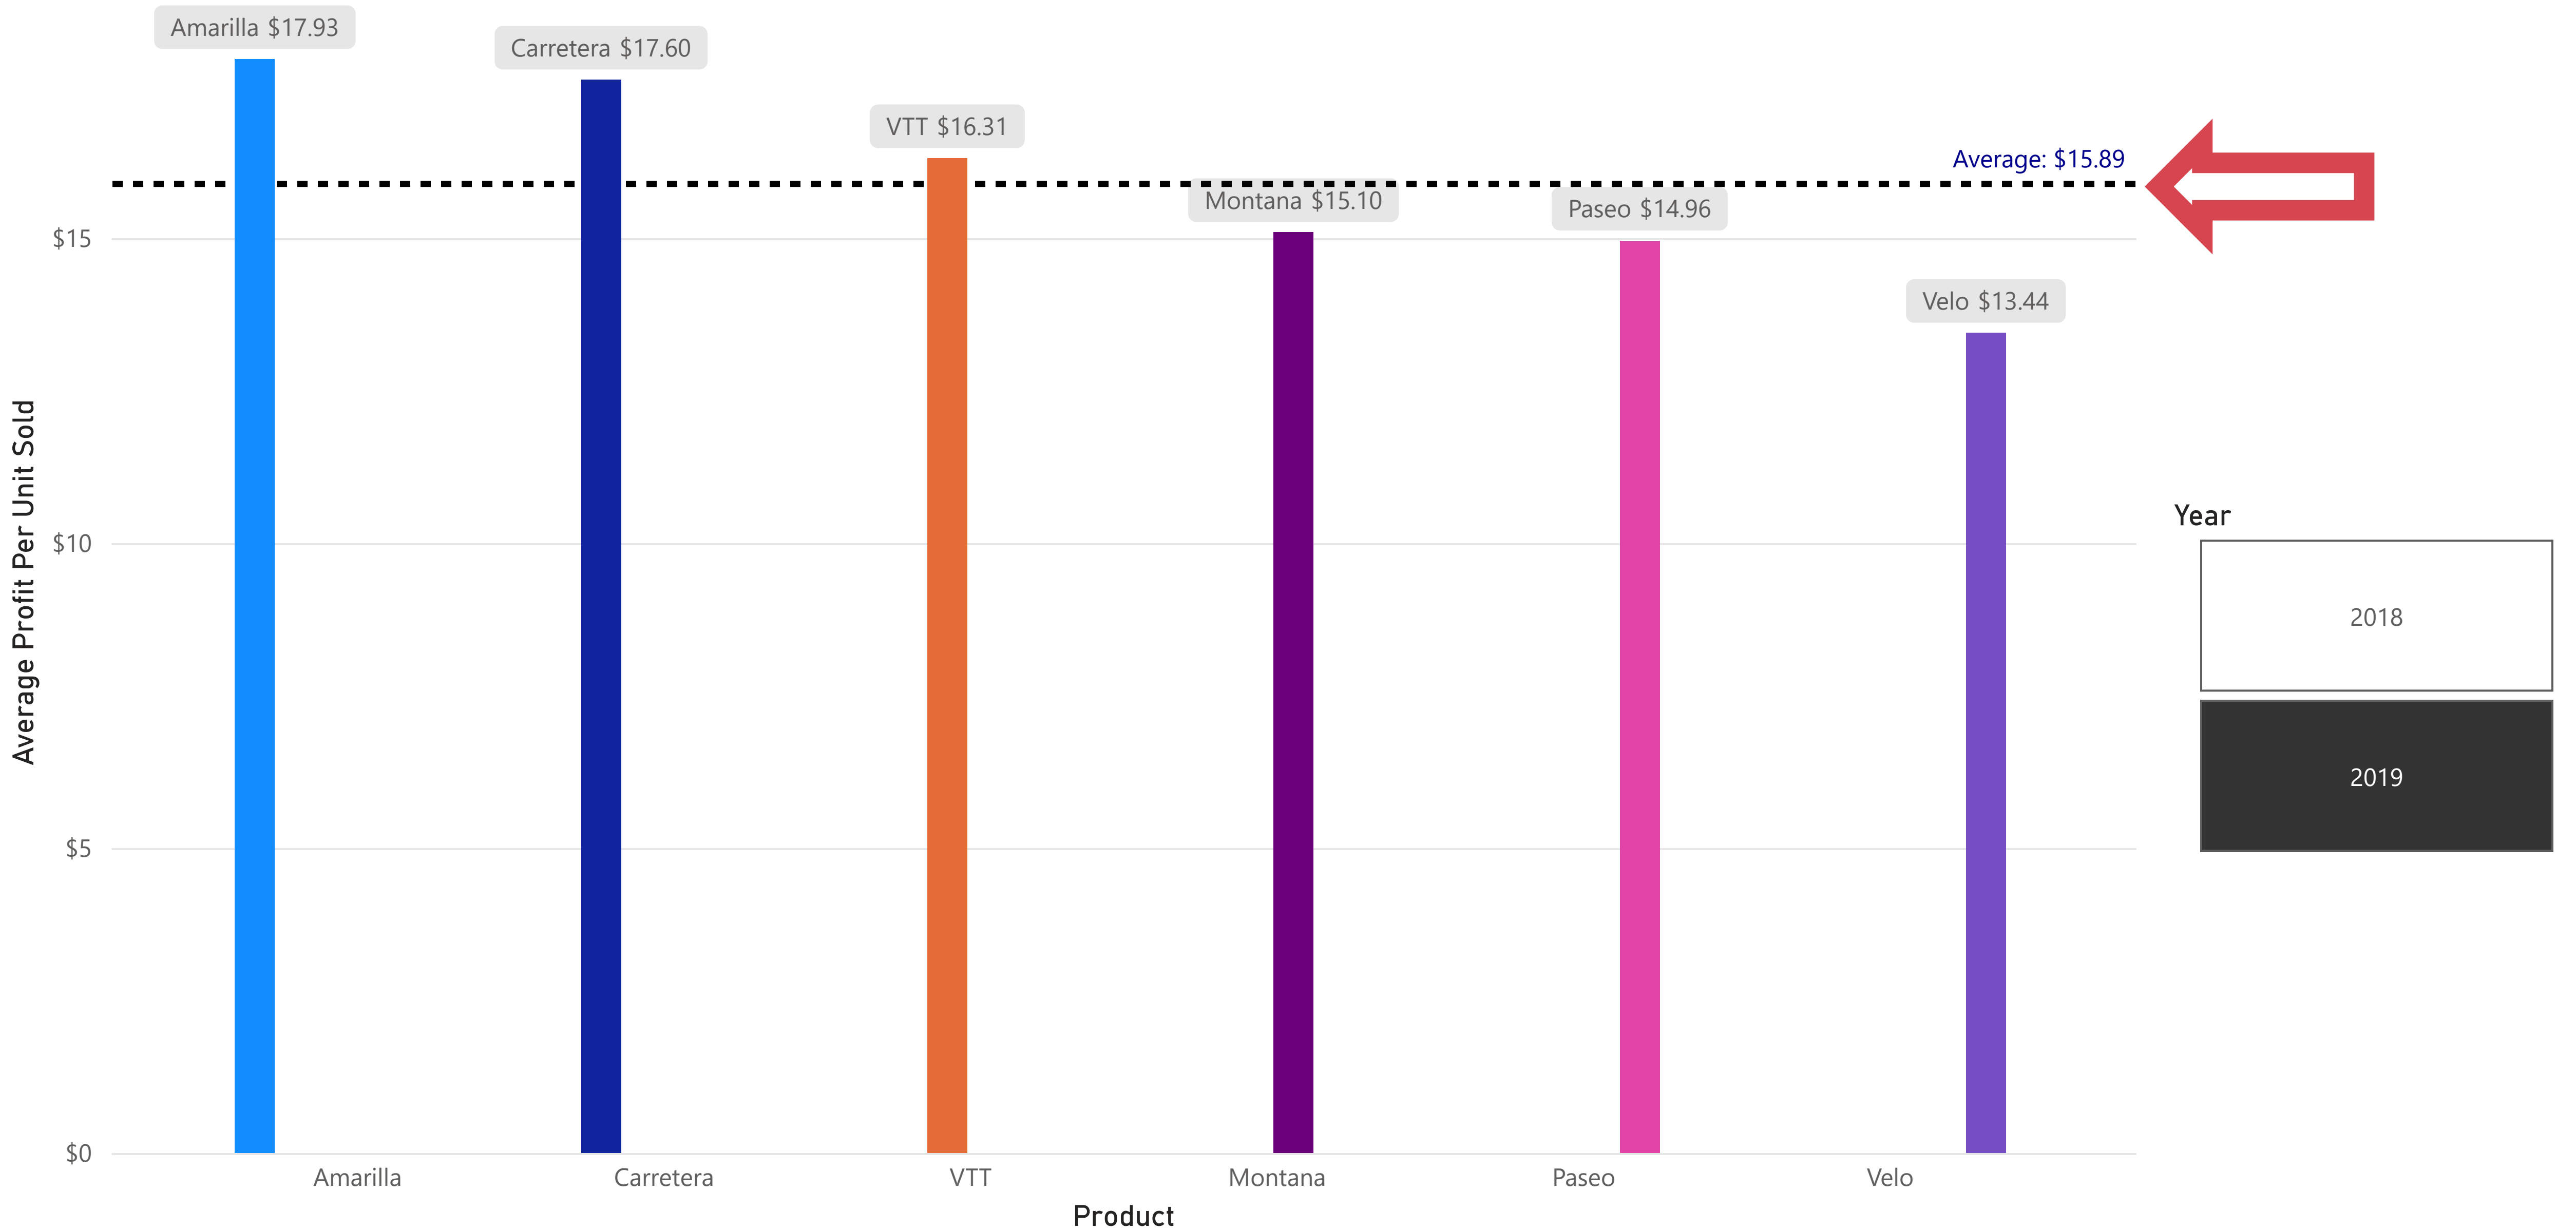

Year

2018

2019

This visual shows the gross sales and profit for each Segment. The visual offers insight into Profit vs. Loss (denoted in Green or Red text) along with key insight into high Profit to Gross Sales visual ratios. The slicer on the right offers toggling between 2018 and 2019 Gross Sales and Profit.

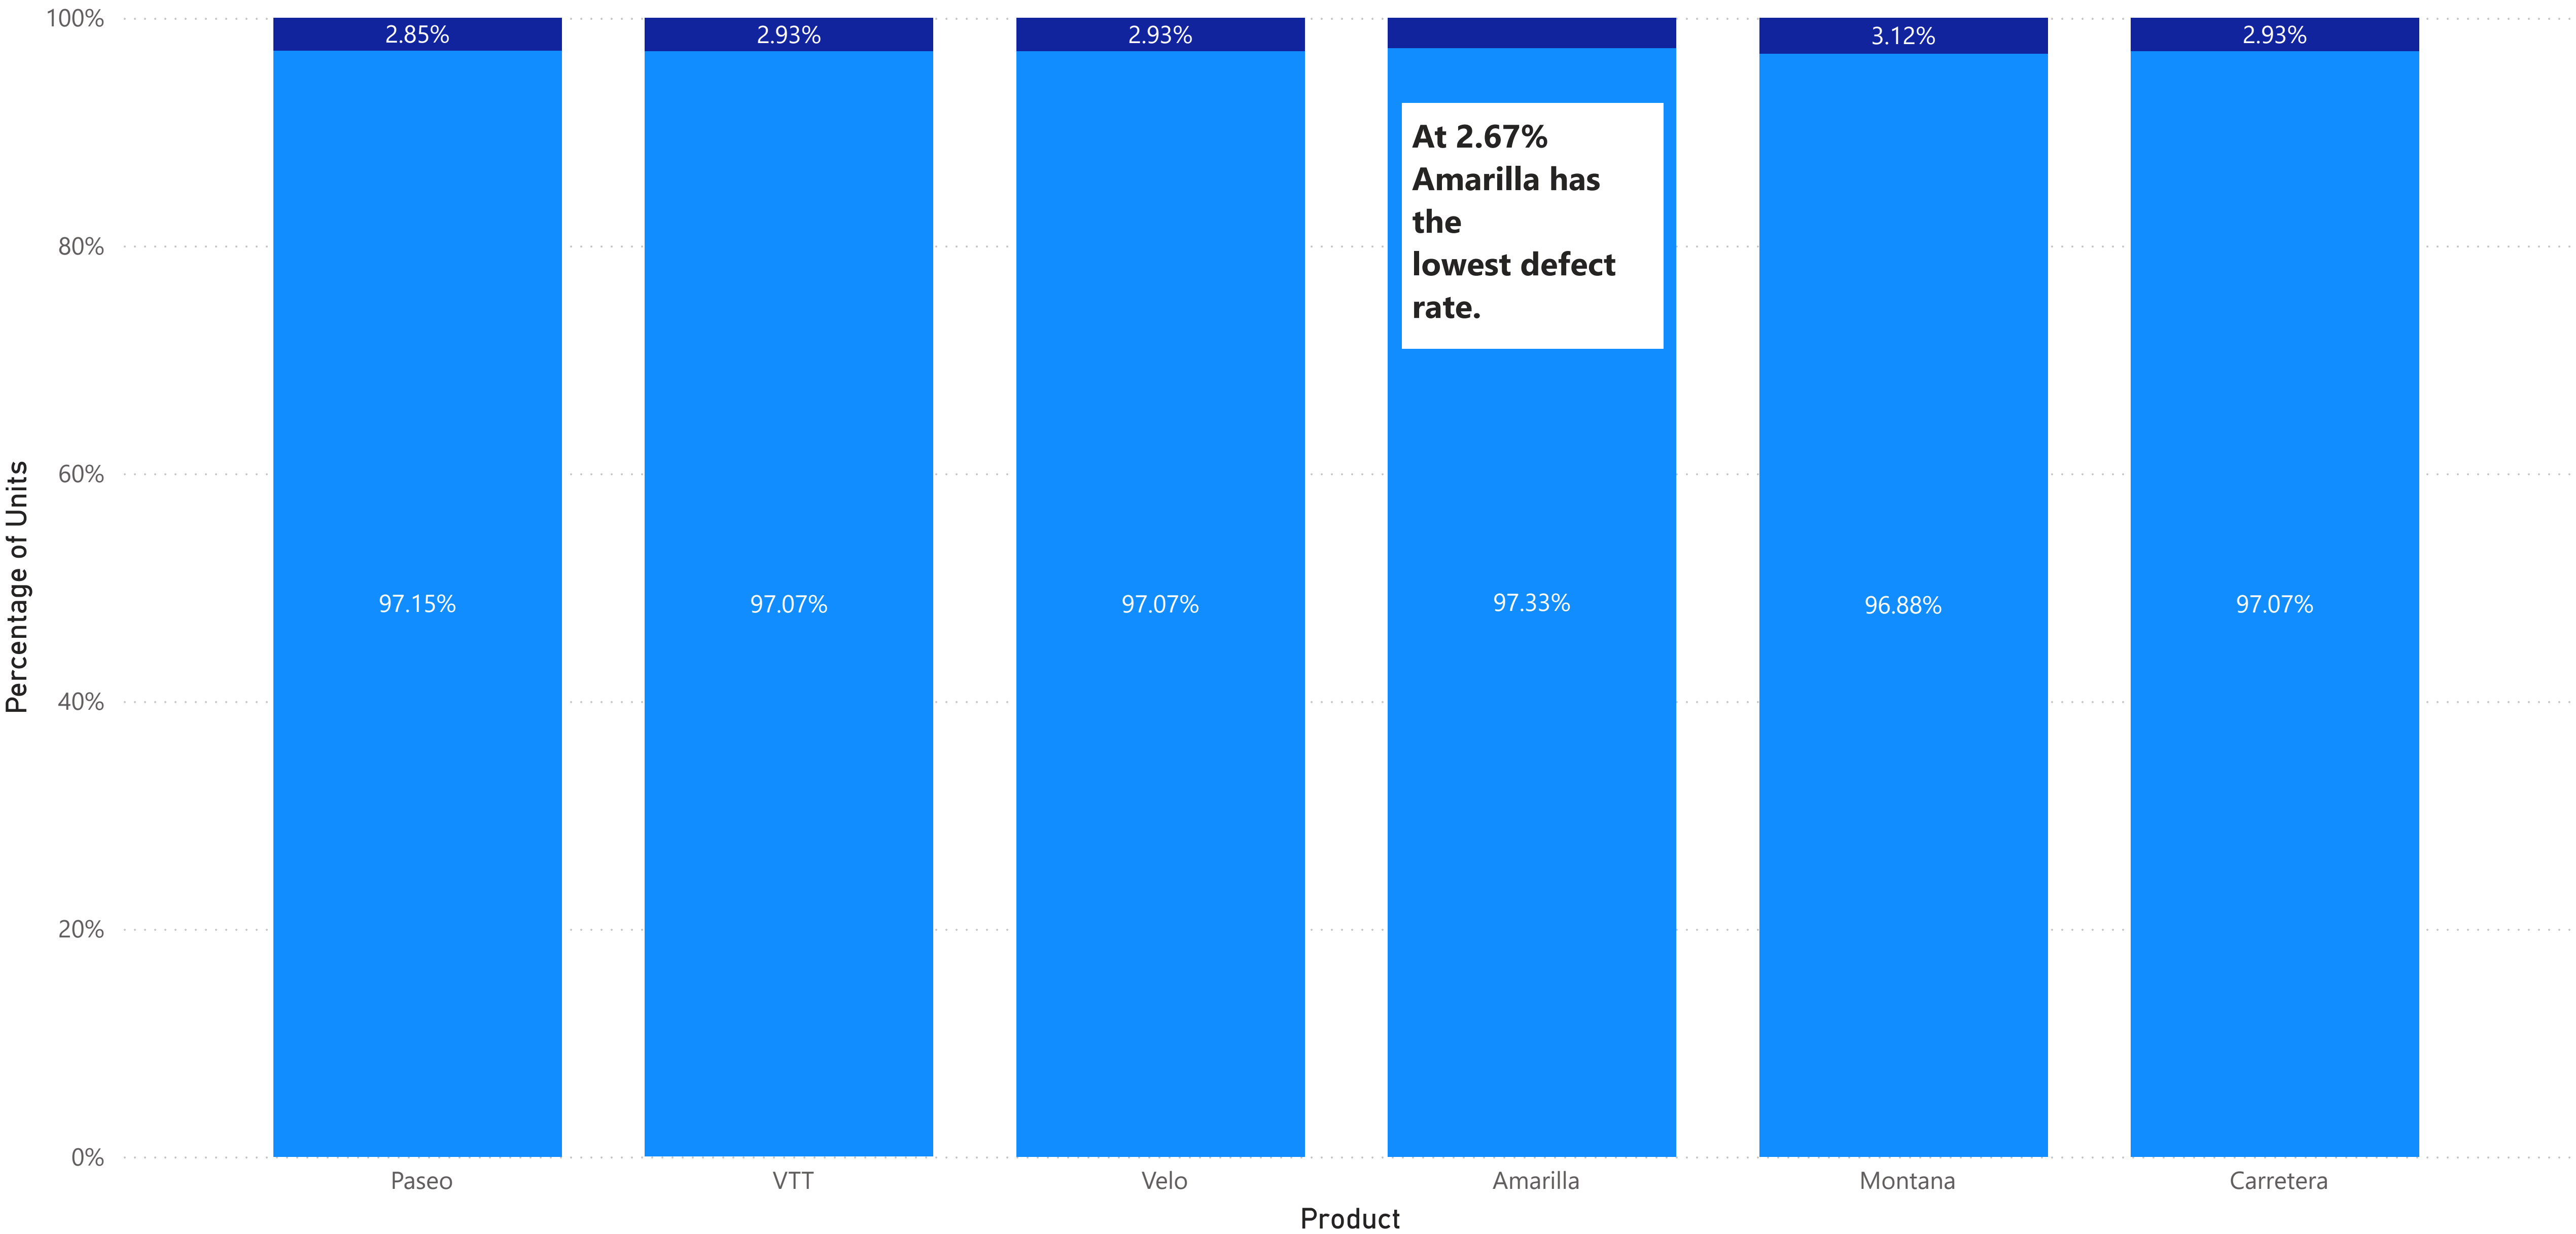

Profit Per Unit Sold by Product

The average line offers insight into how each Product's performance compared to the overall Average Profit Per Unit Sold. The slicer on the right will assist with looking at 2018 and/or 2019 Profit Per Unit Sold for each Product and it's corresponding average for all products for the year.

Percentage of Defective Units Manufactured by Product

● Units Manufactured ● Defective Units

Each Product shows the color of Units Manufactured and the percentage of Defective Units in comparison to non-Defective Units and other Product defect rates. Hovering over the corresponding part of the chart will show a tooltip for the number of Units Manufactured for that Product for the corresponding Defect Rate or non-Defect rate.
